

Harrison Landing

May 28, 2020

Hello to all of our wonderful residents! A copy of this memo will also be forwarded to family members' email, and posted to our website, harrisonlanding.com.

We have a few updates for you:

Firstly, we know that many of you are asking about restrictions being lifted, and we wanted to be clear that we are not able to do that any time in the near future. Unfortunately the risks are still far too great in Senior's Residences. However, we realize how incredibly difficult it has been on all of you to not have visits with your loved ones. We are continuing with our assisted Skype visits on Mondays and Fridays, and during these nice weather months we are now also going to offer some **appointment only outdoor visits**. These will be offered on the same days and times as Skype visits currently are, Mondays and Fridays from 9-4. Please contact Mikayla to arrange such a visit if you are interested. It is very important that these visits are scheduled in advance, we cannot allow drop-in visits. We will mark a clear spot for each of you to sit (we suggest you bring your own folding chair if possible), and ensure that physical distancing guidelines are met. (Resident will be on our grounds, family member will be on the other side of the gate). Visits can be up to 30 minutes. Please keep in mind that we have many residents here, so these time slots must be shared. Contact Mikayla with any further questions, mgiuriato@harrisonlanding.com.

Secondly, we know how much many of you have been missing our Dining Room! Unfortunately we cannot open it on a regular basis at this time, but we have planned something special for you! Be on the lookout for your invitation to a special small group dinner in the Dining Room. There will be just two people to a table, and it will be a special evening. Chef Morgan has prepared a delicious menu - you will have choices! These Dining Room dinners will be on Tuesday evenings in June, each resident will get an invitation to one of the Tuesdays. We hope you enjoy this, as you certainly deserve a special "night out"!

Also, we have all noticed the beautiful weather we have been having! The days are much warmer now, and as such, we will be turning off the fireplace pilot lights. The housekeepers will be beginning this process now. Additionally, if you have an **Air Conditioner** that you require assistance to install, please call the front desk and add your name to our list. We will try to get this done for you as soon as possible! Don't forget to let us know of any other repair requests as well.

As always, a big thank you to our residents and families who have been amazing through this difficult time. We welcome your comments and suggestions as well.

Sincerely,
Harrison Landing Staff and Management
