Hi Everyone:

I am pleased to tell you that 11 of us (staff) will be going to Abbotsford Hospital tomorrow and Saturday to get the first vaccines for COVID-19. The Fraser Health Authority and Provincial Government have begun the delivery of vaccines to health care workers. I would like to personally thank the first 10 (and me) staff who have volunteered to get vaccinated.

It has been a long road, but we are winning ground. It has been difficult for everyone and we absolutely appreciate that.

Vicki has asked me to let everyone know that “Christmas Sweater Day” will be on Tuesday, December 22nd. So, wear your Christmas sweater on Tuesday – the uglier the better!!

Meals will begin in the Dining Room on Monday, December 21st. We have 7 new kitchen staff, so we ask that you be patient and kind to them. Monday will be their first day of serving you for them. Let’s be patient and kind and respectful, please.

Mike and Shawn have planned a wonderful Christmas dinner for everyone! So those of you that are here for Christmas dinner, we plan on getting you stuffed like a turkey on turkey!

Again, we appreciate your kindness and patience. We are all in this together.

In closing: Masks, mask, masks – And wear them correctly, over your nose and mouth!!

- Glenn
