IMPORTANT NOTICE TO ALL RESIDENTS AND FAMILIES

There is a new scam out there that is getting people's personal banking information. This scam **almost** caught me. I order a lot of parts and supplies online and they are often delivered by UPS. Often there are duties and broker fees due and I go online to pay them. I was texted a message that there were shipping fees due and to go to a specific website to pay them. This is what the website looks like:

If you look at the logo at the top, it says “**ips**”, not “**ups**”.

I looked this up on the internet and it originated in Saskatchewan and has gone across Canada and into the U.S. The phone number is a Sask area code.

If you receive a message telling you that you have a package and that there are fees due, please do not respond. They have set the fees due at \$2.00, knowing that a lot of people will pay such a low fee, but what they are trying to access is your credit card and/or personal banking information.

PLEASE SEE THE OTHER SIDE OF THIS PAGE FOR MORE IMPORTANT INFORMATION ON THE SECOND DOSE OF THE PFIZER VACCINE.....

SECOND DOSE OF PFIZER VACCINE

We finally have the date confirmed for our second dose of the Pfizer Vaccine for the Coronavirus. The residents will be vaccinated for their second dose on Monday, February 22nd. The vaccination clinic will again be in the Hangar and will begin around 9:30 to 10:00 am. We will have staff that will go to your floor and announce that it is time to make it down to the Hangar.

We will begin with the Fifth Floor and should have all floors completed by noon.

Please be up, dressed and ready to depart your suite by 9:00 am.

We will issue a reminder the day before the vaccination clinic.

This is very exciting news that we will all be protected from this nasty virus!

Sincerely,

Glenn S. Bell, BCLS, ASCT
